Juniors set course alight in Hervey Bay!

The future of our club appears bright with many blazing results at the recent Queensland School Sport Triathlon Championships.

Majayha Hamblin (MJ) and Jessica Huxley, along with fellow locals Harry and Zane, have come back from competing at the Queensland School Sport Triathlon Champs in Hervey Bay. Under very hot conditions, they did the Junior event that consisted of a 400m swim, 12km bike and finished with a 3km run. Amazingly, they then backed up the next day to represent the Sunshine Coast in the triathlon relay. Pending the release of official results, we’re aware that Harry got 10th and Zane claimed 12th in their divisions... in the whole of Qld! Awesome effort by all in hot conditions!

Geelong 70.3 Action

Noosa Tri Club runs away with 2nd in the Club Challenge at the Geelong 70.3.

Following on from recent news that we (NTC) is currently 1st in the new Trifecta (Noosa, Mooloolaba and Gold Coast Triathlons) Club Series, our competitors in the Geelong 70.3 collected a pleasant surprise – a 2nd place.

A number of Noosa locals competed with some very respectable times and admirable results by all. A local by the name of Melissa Hauschildt finished 1st in the professional ranks in a course record time.

Special congratulations goes out to our two age group winners with Hazel Edmond taking the women's 65-69 in a stunning 5:53 and Phil Scott the men's 80 plus in 7:45.

Hazel once again proves her ability over this distance finishing 14 minutes in front of her nearest competitor

and to even get to the starting line at Phil's age is an amazing achievement.

The Noosa Tri Club ended the weekend on a high by claiming 2nd in the Club Challenge; a clear sign of the strength of ALL who competed! Well done team!

Appreciation from our junior tri-hearts

NTC is fostering youth development and promoting growth in the junior ranks. We received this message of gratefulness:

On behalf of Majayha Hamblin (MJ) and Jessica Huxley we would like to thank the

Noosa Tri Club for giving us both the Junior Full Scholarship for 2016. We have both loved the training sessions and the events on offer this year. Majayha (in particular) has really enjoyed the Ocean Swimming on a Sunday afternoon with her idols.

Thank you again for this wonderful opportunity. We hope we have inspired other juniors to join the club and we look forward to continuing with triathlons in years to come.

Good luck. We are happy to support you.
