Noosa, home to 5 Rising Stars!

FIVE of the Noosa Tri Club juniors have been selected for the Rising Stars Program.

Majayha Hamblin (MJ), Harry Ladd, Zane Hefferan, Alexa Leary and Chloe McLennon were all accepted to the Gold Coast Triathlon Rising Stars Youth Program in partnership with Triathlon Australia. Only 200 juniors across Australia are accepted.

This exciting program will provide the juniors with a platform to compete against other top young triathletes in Australia, spend a weekend meeting some of the biggest triathlon superstars from around the world and gaining invaluable skills and knowledge from some of the most knowledgeable triathlon coaches in Australia.

Mooloolaba Tri

Well done to all our local athletes who competed in the Mooloolaba Tri a few weeks ago.

One epic effort was from Peter Holgate who completed his 17th Mooloolaba Tri. Finishing well in the top ten, we believe there are many more years and plenty more fantastic results to come from Pete. In the lead up, he also did the Caloundra and Bribie races; finishing first in his age group both times! Peter will now be lining up for another Bribie race, then to the Gold Coast and onto Worlds in Mexico in September.

Among all athletes with commendable results, our resident “Goofy” athlete, Seano Clancy, won his very competitive 25-29 age group. Despite cramping on

the final hill and doing the backwards shuffle, he still won by over 4 minutes.

As a club, we await results to see if we firm our position on top of the new Trifecta (Noosa, Mooloolaba and Gold Coast Triathlons) Club Series. The Gold Coast Tri is the final race to collect points, so get in and let's bring home the gold bacon.

Off road racing

Well done to everyone who had a go. It was a fantastic morning for swim, bike, run - Off Road! Many thanks to our volunteers for transporting gear and cheering everyone out on the course.

Off-Road sessions are on hold for a few weeks while Kim is in New Zealand. 5:45am Run-Swim-Run sessions will now take a break until later in the year, however Thursday 5:30am MTB sessions will continue over Winter. Next MTB session will be held Thursday 14th April - focus will be on transitions in preparation for #TreXTri

Bribie Tri, Race 4

For the final race of the series, we'd like to congratulate:

Peter Holgate (1st), and
Bonnie Allan (2nd) AND 2nd in the series!

STILL WANTED: THIRD PERSON ANECDOTES!

For anyone who missed the call-out last month, you are invited and encouraged to inform us of your ambitions and achievements so we can share your journey. We'd appreciate any effort to write in **third person** – as if your parent or best friend were writing something awesome about you. Don't be shy. We wish to feature and commend all members of our NTC family who are pursuing dreams, leading a healthy lifestyle and being positive role models for our growing generations. Send a third person summary of your adventures to NTClubNews@gmail.com and we will endeavour to support you.
