Noosa, Trifecta Club Series Champions!

Congratulations to YOU, our Noosa Tri Club members.

After three rounds of tough fought competition and club rivalry, our Noosa Tri Club has taken out Division II of the 2016 Multi Sport Trifecta Club Series!

The battle with our friendly rivals began at the Noosa Tri and continued in Mooloolaba, where just 12.6 points separated us from second place. With the championship in the balance, the series (and bragging rights) came down to the double points race on the Gold Coast. Thanks to some superb results, NTC ended the finale as clear victors on 19,701.3 points, ahead of second placed Redcliffe Tri Club by a massive 1,683 points!

Congratulations and thank you. The trophy will be proudly displayed / “shown off”.

1

STRADDIE SALUTE

Head to North Stradbroke Island on May 14th for a fun day out.

2

ULTRAMAN AUSTRALIA

Ultraman returns to Noosa for the three-day test of endurance, May 13th to 15th.

Gold Coast Tri & Rising Stars

Competitors of all ages made Gold Coast their home over the April 9-10 weekend.

The Noosa Tri Club Juniors had the opportunity to train and race with the professionals at the Rising Stars Camp that was conducted in conjunction with the Luke Harrop Memorial Race.

They walked away after gaining invaluable skills and knowledge from some of the most knowledgeable triathlon coaches in Australia.

While our Juniors were learning, our Seniors were showing them how it's done. A number of our locals competed in the Luke Harrop Memorial (Sprint) Tri and came away with amazing results. The results we are aware of are:

- Barry Meek came 1st in his age group,
- Penny Hearn came 1st in her age group,
- Peter Holgate came 3rd in his age group

We know many more competed, and congratulations to all of you. Your combined effort helped to bring home the Trifecta trophy!

Qld Cross Tri Champs

Noosa Tri Club members were out in force at the #TrexTri Qld Cross Tri Champs at Ewen Maddock Dam. The club had members in the Short Course, Long Course and Dirt Kids events, with Dean McMaster and Fiona Lim backing up for the entire Dirtfest race distance... meaning they had an 8km trail run and 50km mountain bike!

The event was the final qualifying race for the World Cross Tri Championships which are being held in November at Crackenback. NTC members excelled on the lightning fast course and look set to have quite a few Australian Team qualifiers following results from this event and Crackenback in February.

Now for this amazing list of achievements:

- Chloe, 1st and MJ, 2nd in the Dirt Kids
- Kelly Anne, 1st
- Kim Beckinsale, 1st
- Hamilton, 3rd TQ member (Sprint Tri)
- Annie Alford, 2nd
- Anne Gripper, 2nd
- Cathy Milgate, 2nd (overall National TRe-X Series winner)
- Dean McMaster, 3rd TQ member
- Nick, 3rd and Steve, 5th
- Bardie (already qualified for World's) & Jan teamed up
- Albert, 2nd in his first Cross tri event!

NOOSA TRI (NT) CLUB NEWS... NTCLUBNEWS@GMAIL.COM

If you know someone who has competed in an event but is too shy to tell us, please send a "secret" email to the above address. If you have photos, even better! Any news items are greatly appreciated, especially when written in third person - you can be a direct contributor to our / your newsletter. Please share with us, so we can share with our broader NTC family. If your story does not make it into the current/next newsletter, we might be able to add it to the subsequent publication.
