One Hell of a Month

The heat was on out West, and in the East

February. Over. The mercury hit record highs this past month but the good news is; the Noosa Tri Club didn't melt. That's right, this is just the tip of the ice berg as the racing season blazes along.

Hell of the West, as the name suggests, is not for the cool cucumber competitors. If you're chasing some spice, this delectable treat will tantalise your taste buds and have you sweating profusely.

A "lucky" (some may say crazy) few of our NTC members stepped into the oven that is Goondiwindi to bake their way through the 2km swim, 80km bike and 20km run.

Well done to everyone who made it safely to the finish line and back "home". Paul from Reddog Architects finished 6th in his AG (image right →).

The month of training and racing didn't end there. Keep scrolling for more insights into your fellow members' memorable moments.

Introducing some of our **PROUD SPONSORS**. We'll be hearing from them:

1

BRIBIE TRI
Third and final race on Bribie Island.
5th March.

2

MOO'BA TRI
Mooloolaba Tri Festival.
12th March.

3

CLUB EVENT
NTC Event to be scheduled, keep your eyes peeled.
TBA in March.

SPONSORS

NTC Long Course Event

A huge thank-you to a great volunteer turn out for our long course event. We really appreciated so many people giving up their Sunday morning to ensure everyone was well hydrated and cared for on what could have been a very hot morning.

With Infinit, ice and cold water on the course as well as a hose down through one of the 3 aid stations, it was as comfortable as we could make it!

Several completed the full 2/60/15 and some took advantage of the shorter options available. Either way, it was a great morning for a challenge; whether you were hoping to overcome a physical barrier or build mental strength.

Well done to all!

Off Road Events

Noosa Tri Club had a fantastic representation at the Cross-Tri Australian/QLD Championships at Ewen Maddock Dam during the month. Well done to everyone who competed in the extremely hot conditions!

It was great to see the young and not-so-young competing and supporting each other.

Off-Road coach Kim is putting together a race report from the Cross-Tri for inclusion in next month's newsletter.

Further congratulations goes to the NTC crew who backed up in the 20km & 50km MTB challenge after racing the XC Triathlon State & National Age Champs at Ewen Maddock Dam.

We had Juniors, MJ (Majaya Hamblin) and Harry Ladd competing in the 20km MTB race and Harry also competed in the Sprint Tri. Hamilton Andrews competed in the Sprint Tri as well and finished 4th (AG16-17) with a time of 45:55.

Grants for NTC

In 2016 the Noosa Tri Club Committee applied for two grants to promote club membership and participation. We are very pleased to announce that we were successful on both counts.

The Queensland Government provided input to Noosa Tri Club to conduct an eight week skill development program, training camp and advertising campaign to promote female participation for triathlon so as to increase Queenslanders participation in sport and recreation activities.

Noosa Tri Club was also the recipient of a further grant from the Noosa Council to promote local Queenslanders engagement with our great club and sport and the lifestyle benefits it brings.

You may have already seen some digital exposure highlighted on our Facebook page and there will be plenty more to come. If you know of someone who is interested in joining our club, allow them to get in touch with us and we will happily welcome them aboard.

Everyone meet one of our newest members, Kikki. Kikki joined us as part of our Women in Tri program and is deep in training with coach Jess Fleming.

NTC Member Races

Maz (Marion Brown) recently competed at the Caloundra QTS sprint distance triathlon. Maz walked away from !

Paul Worroll from our fabulous sponsors at Reddog Architects, challenged himself with two recent races; Hell of the West and Husky Long Course Tri!
