The next off-road Tri event on the TQ Calendar is the Straddie Salute on Saturday 20th May 2017. This is an ICONIC event on North Stradbroke Island where the run view are just amazing. The MTB course is super non-technical as it's only 50% off-road, so a perfect event for any of you who want to have a go! There is also a road tri and a run event and swim event on the same weekend, so great to take the whole family somewhere a bit different. Check it out here: <http://iconevents.com.au/straddie-salute-triathlon-festival/>

The club will also try to reschedule the off-road Tri that was postponed from 28th March due to weather, so again a great way to get into it and have a go!

In2Adventure have plenty of events on the calendar for 2017/18 so why not consider some of their MTB events over Winter in preparation for the Off-Road Tri events scheduled next season. Visit:

Mooloolaba Tri

Congratulations to all NTC athletes who competed at the Mooloolaba Tri! We are proud of everyone for training hard, overcoming obstacles and pursuing your goals.

Below are the results, and there's a couple more to mention: Kenny Mewha finished 4th in 65-69, and a great result from the Noosa Old Boys team (Basil,
